GENERAL CONDITIONS OF ACCREDITATION

- 1.1 South East Technological University Carlow shall implement University procedures for the assessment of learners, which are fair and consistent and for the purpose of compliance with standards determined by the University.
- 1.2. South East Technological University Carlow shall implement procedures for access, transfer and progression determined by Quality & Qualifications Ireland (QQI).
- 1.3. South East Technological University Carlow shall implement the approved Institutional quality assurance procedures for the purpose of further improving and maintaining the quality of the programme and services related to the programme.
- 1.4. South East Technological University Carlow shall make no significant change, in line with University policy, in the programme without the prior recommendation for approval to Governing Body via South East Technological University Carlow's Academic Council. Refer to South East Technological University Carlow's Policy and Procedure for Differential Validation (Appendix 13) for detail pertaining the identification of significant change.
- 1.5. South East Technological University Carlow shall notify Academic Council of any change in circumstances affecting the provision of the programme of a nature that would be likely to cause the Academic Council to consider reviewing accreditation.
- 1.6. South East Technological University Carlow shall submit to Academic Council, within three months of the date of issue of this Certificate of Programme Accreditation, and as required thereafter, a progress report on its compliance with the conditions of validation and accreditation.
- 1.7. South East Technological University Carlow shall implement the programme and assessment structure in accordance with the Validated Programme Schedule as attached.
- 1.8 South East Technological University Carlow shall supply a revised programme submission document, if required, which must be lodged with the Vice President for Academic Affairs & Registrar within three months after the issue of the Certificate of Programme Accreditation.

2. Findings of Evaluation Panel
(For the attention of South East Technological University Carlow's Academic Council)

South East Technological University Carlow is committed to protecting the rights and privacy of individuals with respect to the processing of their personal data. A copy of the University's Privacy notice is available on the University's website (<https://www.itcarlow.ie/resources/data-protection.htm>). This website also contains further information relating to your rights regarding subject access requests, records retention and data protection in general. Any further queries in relation to the GDPR can be addressed to the University's Data Protection Oversight Group (e-mail: gdpr@itcarlow.ie)
